Send Your Measurements

In order to ensure that all suits arrive in time for your big day, we require having all measurements for the wedding party 90 days prior to the wedding.* These measurements include coat size, waist size and sleeve size. The wedding party can call email or come by the store to provide their sizes.

Sizing Tip! Suit pants may run slightly smaller than jean sizes. We recommend ordering a size up and taking in the waist if necessary.

**Kinkade's Fine Clothing cannot be responsible for items arriving late if all sizes are not submitted by the deadline. Again, we must have all sizes 90 days prior to the wedding.*

Get Tailored

Each member of the wedding party will be notified upon the arrival of their suits. Kinkade's Fine Clothing offers complementary alterations with the purchase of any suit. Due to varying alteration times, each member of the wedding party must come by the store between 60 and 30 days before the wedding to be marked for alterations.

*Payment will also be due at this time.

Out of town customers: Unfortunately, we are not able to perform alterations without an in-store fitting. However, we do not charge sales tax for out of state customers and we will ship items for a low shipping charge of \$10.

**Kinkade's Fine Clothing cannot guarantee that suits will be able to be altered without a timely in-store fitting. Again, all fittings must be completed 30 days before the wedding.*
